May 10, 1993

The Honorable Joan Finney
Governor
2nd Floor, State Capitol
Topeka, KS 66612

Dear Governor Finney:

It was indeed an honor to have you present Friday for our groundbreaking ceremony. We are so appreciative of the support that you have given FHSU for the physical sciences building. We enjoyed being able to publicly acknowledge that support and say thank you for all that you do for education. We are grateful that we have a Governor who recognizes the importance of investing in our future by investing in the education and training of our next generation of leaders.

We will look forward to having you back for the dedication in 1995 when we open the doors to our students so they can begin reaping the benefits of this wonderfully advanced structure.

Sincerely yours,

Edward H. Hammond
President
